- Ms Gregory is not an in-network provider for any insurance plans at this time. All patients are encouraged to call their insurance companies before their first visit to find out if they have out-of-network coverage or are qualified for a discount. We will not bill insurance for you, but we will provide you with a receipt that you can send in to your insurance company yourself.
- Most conditions require an average of 6-12 treatments, although some conditions may resolve within 4-6 visits or fewer. Others may take longer. All private patients must have a first, comprehensive appointment with Ms Gregory so that she can get a complete picture of your health history and current health problems. This will last about an hour and a half. Community acupuncture visits last one hour.
- The length of your Follow Up visits is at the discretion of the Acupuncturist, and unless it was decided beforehand with Ms Gregory, you should plan on being in the clinic for one hour.
- Payment is expected at the time of service.
- MasterCard, VISA, Checks, and Cash are accepted on Private visits
- *Cash and Check only on Community Clinic.
- Wellbeing has a 24 hour cancellation policy. If you cancel within 24 hours, you will be charged a fee of \$30.00 for private visits and \$20.00 for community visits. These payments will need to be paid at your next visit. For no-shows (when you don't call and don't show up for your visit) you will be charged a fee of \$45.00 for private visits and \$30.00 for community visits. These fees will have to be paid at your next visit.

I understand and accept these policies,
